Mammoth Mercantile We are all so apt to take things for granted that Napaneeans lose sight of the fact that this town has one of the best Dry Goods stores that can be found in any town of its size in Canada
It is in thoroughnees that the Robinson Co.'s store excels — and that thoroughnees keeps it in the lead.
The great output of 'The Robinson Co.'s store justifies carrying assortments of goods that other stores cannot approach — assortments of Canadian Goods and Fordign Goods. Good service is the basis of it all—and the growth this last year is double the ratio of the past years.
The Robinson Co. store is easily the largest retail store in this vicinity and all its conveniences are freely yours. Convenient toilet rooms are provided for both ladies and gentlemen. Nobody at Robinson's is a stranger in a strange land. Welcome!

JAMES ATLEWORTH,

Real Health for Summer Days! The health that comes from well digested food, daily regularity, pure blood and peaceful sleep—that is the health that you can win with the help of

Tiny Tonic Tablets

-the gentle but effective laxative tonic.

Let the dain't little tablets cleanse your system, build up your body, purify your blood and tone your blain and nerves—then you will be prepared to face the wearing heat of blaining Summer days. Remember that impure blood, clogged bowels, a system racked by bad digestion or sleeplessness, simply invite Prickly Heat, Summer Rashes and Sunstroke.

Iron-Ox Tiny Tonic Tablets are gently laxative.

They cure constipation. They build up your intestinal organs, help them to cleanse your system and to keep it clean by natural means. They will not "force" you and they will not teach you the "laxative-habit."

Iron-Ox Tiny Tonic Tablets cure Indigestion.

They are not a mere temporary relief but a real, lasting cure.

Iron-Ox Tiny Tonic Tablets are a wonderful tonic—

They make blood; they help the liver, the kidneys, the stomach, the bowels. They strengthen and feed the nerves,

Iron-Ox Tiny Tonic Tablets are pleasant to take.

Very small, very dainty, wrapped in their delicate chocolate coats, they are as tempting as candy.

Fifty Iron-oz Tablets, in an attractive aluminum pocket case, 25 cents at druggasts, or seet, postpaid, on receipt of price. The Iron-oz Remedy Co., Lim-ited, Walkerville, Ont.

The health that comes from well digested food, daily regularity, pure blood and peaceful sleep—that is the health that you can win with the belp of

Tiny Tonic Tablets

-the sentle but effective larative tonic.

Let the dainty little tablets cleanse your system, build up your body, purify your blood and tone your brain and nerves— then you will be prepared to face the wearing heat of blaim Sum-mer days. Remember that impure blood, clogged bowels, a system racked by bad digestion or sleeplesaness, amply invite Prickly Heat, Sammer Rasbes and Sunstroke.

Iron-Ox Tiny Tonic Tablets are gently lazative.

They cure constipation. They build up your intestinal organs, help them to cleanse your system and to keep it clean by natural means. They will not "force" you and they will not teach you the "larative-habit."

Ox Tiny Tonic Tablets cure Indigestion.

They are not a mere temporary relief but a real, lasting cure.

Iron-Oz Tiny Tenic Tablets are a wonderful tonic—

They make blood; they help the liver, the kidneys, the comach, the bowels. They strengthen and feed the nerves.

Iron-Ox Tiny Tonic Tablets are pleasant to take.

Very small, very dainty, wrapped in their delicate chocolate coats, they are as tempting as candy.

Fifty Iron-ox Tablets, in an attractive aluminum pocket case, 25 cents at druggists, or sent, postpaid, on receipt of price. The Iron-ox Remedy Co., Lim-ited, Walkerylle, Ont.

In our own business we found a large demand for goods that are usually found only in city stores. By catering to this demand we have kept if Napance a good deal of money that usually went to the city stores.

We do not believe in whining about people doing their shopping in city stores. We know by experience that Napance people will buy only in Napance across if they can get the kind of goods they want.

We've got goods to supply the most exclusive tastes—quality equal to the best city atores—choice wide enough for the most critical, prices we believe as low or lower than you can get the same goods for in any store either here or in the city.
